

## **Patient Services, Inc. Areas of Expertise**

The President of Patient Services, Inc. (PSI), Dr. Dana Kuhn, created and pioneered the non-profit patient assistance model. Members of the PSI staff and independent Board of Directors possess extensive expertise and experience in the areas of patient assistance, advocacy, health insurance, and health care. They are available for media interviews or other speaking opportunities upon request to address issues that include:

- Locating health insurance in all 50 states
- Subsidizing the cost of health insurance premiums
- Providing pharmacy and treatment co-payment assistance
- Assisting with Medicare Part D co-insurance
- Helping with advocacy for Social Security Disability Income (SSDI) and Social Security Income (SSI)
- Navigating the health insurance industry
- The benefits of developing public/private relationships with states
- Advocacy for patients with chronic and acute illnesses
- Greater access to health care for all Americans
- Innovative models for health care cost avoidance
- Advocacy for uninsured and underinsured Americans
- Improved access to affordable prescription drugs and treatments
